

Training & Expertise

At SJ Phoenixclean, they recognise that professional training is essential for delivering exceptional cleaning services. To ensure the highest standards in upholstery and carpet care, their team has completed specialised courses under the expert guidance of Jared Long & Lee Breen from Train to Clean. This advanced training has equipped them with the latest techniques and in-depth knowledge, enabling them to provide superior care for your carpets and upholstery. Their commitment to excellence ensures they can tackle any cleaning challenge with confidence and skill, leaving your furnishings looking their best.

Certified in Upholstery & Carpet Cleaning

SJ Phoenixclean has recently completed our advanced Upholstery Cleaning and Fine Fabrics Training Course, held at Cleanspec-Cumbria and led by industry experts Jared Long & Lee Breen. This course has provided them with the knowledge and hands-on experience necessary to handle even the most delicate and specialised fabrics with expert care.

What This Means for You as an SJ Phoenixclean Customer:

- **Expert Fabric Identification:** The team at SJ Phoenixclean has been trained to accurately identify a wide range of upholstery fibers, including cotton, linen, wool, and polyester. This ensures they use the most suitable cleaning method for each material, preserving its quality and longevity.
- **Advanced Cleaning Techniques:** They have mastered advanced cleaning methods such as hot water extraction, dry cleaning, and upholstery shampooing, all of which are designed to maintain the integrity and extend the life of your furniture.
- **Specialised Stain Removal:** SJ Phoenixclean is now equipped with the skills to remove even the toughest stains from your upholstery, using techniques that are both effective and safe for your furniture.
- **Comprehensive Equipment Knowledge:** The team has gained extensive knowledge in setting up and using professional upholstery cleaning equipment, ensuring that every job is completed to the highest standard.
- **Eco-Friendly and Safe Solutions:** With a focus on safety and environmental care, SJ Phoenixclean has been trained in the use of eco-friendly cleaning solutions that protect both your furnishings and the environment.

- Commitment to Customer Satisfaction: With their new training, SJ Phoenixclean is committed to delivering not only superior cleaning results but also exceptional customer service, ensuring that your experience is as satisfactory as possible.
